First Walk Down the Hall

The first day of school is here
We're glad that finally it's our last year
The summer's over and once again
It's back to classes, books and pens
We've walked these halls since Jr. High
Now in nine short months we'll wave good-bye ...
We remember all the other years
When we thought it'd never end
We think of all the fun we've had
And wish we could do it all again.
But then we think of the year ahead
And know that it'll be the best
For we're seniors now and seniors are
Ahead of all the rest.
We'll work our hardest in all we do
In football, basketball, and track
Band and music will bring memories too
Which we'll smile upon when we look back.
Now we walk these halls and joke around
And say we can hardly wait
'Till the day we wear our caps and gowns,
The day we graduate.
As we begin this long awaited year
We have feelings of both joy and fear ...
We walk these halls now in September
And begin a year we'll long remember.

DURK DE BOER

Durk came to Schaller on August 18 from Heerenveen, Holland. While he was here, he lived in the home of Ronald and Karen Grieme.

During the year, Durk kept himself busy with his hobbies of reading, swimming, and photography. He also participated in several extra curricular activities. Some of these were: football, wrestling, and LYC. He also took piano lessons. Durk was also kept busy by studying (?) for his classes of physics, speech, english, government, and history.

Durk has enjoyed his stay here very much, and the Griemes have enjoyed having him as a member of their family. He will be going back to Holland in July.

Good luck in the future Durk! We're glad you came to Schaller!

JR. - SR. "THE WAY

"THE WAY WE WERE"

You young men and women gathered here tonight
Will remember the likes of Bisenius, Leseth, Ronfeldt,
and Taylor
And wonder, how, with the classes, homework, and discipline
Did I ever make it through four years at Schaller.

But as the years go by and you pause to look back
From a job, a farm or Iowa State, Notre Dame or Baylor
You'll see that the best you obtained to build on through
life
You acquired in those short years at Schaller.

And let me close with a thank-you for having me here
To recall, and relive, some fond memories of mine
And add yet another which will rank with the rest
The Jr.-Sr. Banquet and Prom at Schaller in the year '79.

The title comes from the line "where hearts were high and fortunes low - and onions in the stew." Mr. Leseth again directed the play. Student directors this year were Tina Ehrp and DeeAnn Ober.

NORTHWEST IOWA AND ALL-STATE MUSIC

Deb, Lori, Dan, and Paul were very prepared to sing at Northwest Iowa this year. They were all ready to go the morning of January 27 when we received one of the many snowstorms this year. Northwest Iowa was cancelled. It was later rescheduled for March 3. Deb was not able to go on that date, so Kathy Kestel took her place. On the morning of March 3 we again received another snowstorm. Again it was cancelled-this time for good. We're sure it was a disappointing year for many.

On Saturday, October 28, eight students represented Schaller in the annual All State Chorus tryouts held at Sioux City's North High. The students were placed in two separate quartets. Each worked on songs chosen for this year's event. They practiced for nearly four weeks and attended a rehearsal at Sheldon, Saturday, September 30. Even though none of the students made it into the chorus the experience was enjoyable.

On May 18th, Mr. Watt, Miss Hardersen, Annette Sarazine, and Tina Ehrp set off for the Girls State Track Meet in Des Moines. The next morning Annette participated in the 100 Meter Hurdle event and earned her best time of 16.1. Annette was also selected as team captain and helped set three school records, her senior year to make for a great season.

ROCKETTES

Coach Hardersen and Coach Watt

Soon after our last basketball game, some of the girls began working out for track. With no help from the weather man, we had a very slow start but were equal in weather conditions to the rest of the conference and schools we ran against. The first meet at Odebolt-Arthur was postponed. We also did not compete in the Ida Grove and Alta meets this year. We did compete in a total of 8 track meets this season.

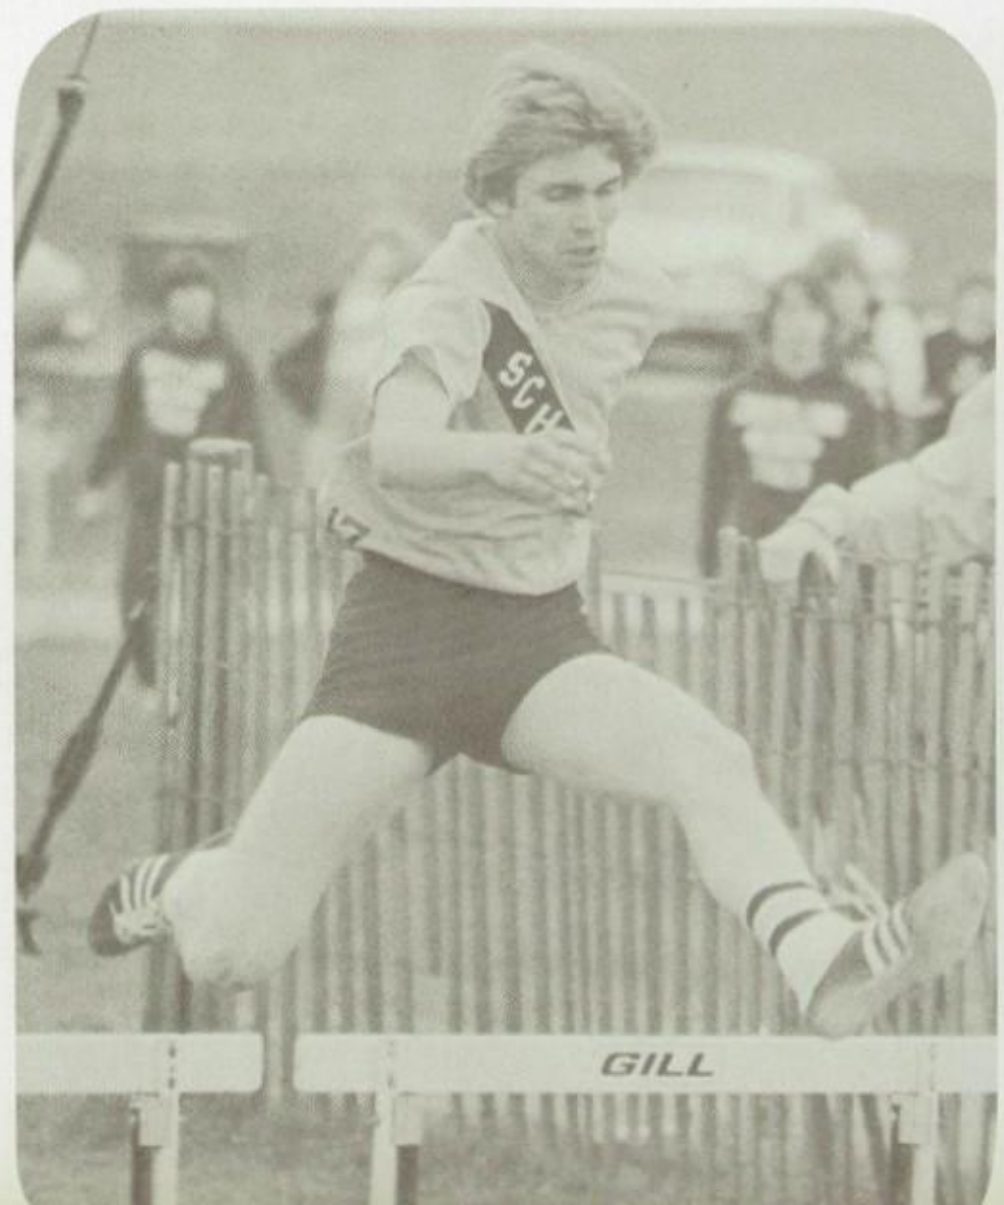

Our girls set 6 school records and tied one during the '79 season. They were:
 3200 Meter Relay-12:00.46-B. Brown, E. Taylor, L. Graham, T. VanBuskirk,
 10 Fl.Shuttle Hurdle Relay-1:09.42-A. Crawford, J. Sarazine, S. Tokheim, A. Sarazine,
 100 Meter Dash-13.31-Lori Woodke(tied)
 100 Meter Hurdles-16.19-Annette Sarazine
 200 Meter Dash-28.81-Julie Sarazine
 440 Yd. Hurdles-73.93-Ann Crawford
 440 Yd. Relay-54.19-A. Sarazine, J. Sarazine, L. Sarazine, L. Woodke.

YOUNG TEAM

Row 1: Mark Lichtenberg, Rich King, Mike O'Meara. Row 2: Durk de Boer, Grant Currie, Kevin Grieme, Mitch Wilde. Row 3: Mike Fitzsenry, Dan Manteufel, Brian Gray, Tim Taylor, Steve Saville. Row 4: Coach Jansen, Paul McDermott, Brian Kenny, Joel Van Buskirk, Mike Barlow, Coach Beernink.

The boys' track team did well this year, even though they were few in number and short on experience. A new event, the 440 hurdles, was added to the track agenda and Mitch Wilde is shown at right running this race. The only school record this year, was in this new event with Mitch Wilde running it in a time of 61.2 seconds. Our team was represented in the state meet by Joel Van Buskirk in the 880 yard run. With only two seniors, Joel Van Buskirk and Durk de Boer, leaving the squad this year, the coaches are expecting "bigger and better" things next year.

Joel Van Buskirk advanced to the Des Moines State Track Meet in the 880 yd. run this year. He placed first at districts which qualified him for state. Joel did not get to the finals at state, but he did run his best time ever down there. Joel did a fine job and the school is very proud of him.

CHEERLEADERS BRING BACK

This was just another busy year for the cheerleaders. Track concession stands helped pay their way to camp and other projects.

Such projects included painting the streets late at night with spirit slogans, selling spirit buttons, decorating locker rooms and halls, and hanging of the plaques in the gym.

But with all of this going on, the cheerleaders continued raising school spirit for the Rockets and their fans.

LAST WALK DOWN THE HALL

It's his last walk down the hall
For the senior "know it all"
He has walked it everyday
From September until May
But this time he walks it slow
'Cuz he's got no where to go . . .
And his thoughts begin to drift
To a time-a carefree day
When he used to laugh & joke
'Cuz he thought he'd always stay.
He gave his all on Schaller Field
For the PRIDE he felt within
Just to wear the Black and Gold
Was incentive towards a win.
He brags to all the juniors
That he's free from books and pens,
Yet he wishes he were in their shoes
Just to do it all again!
People just can't wait to get out,
To wear those caps and gowns,
But underneath the smiles and the laughs
I sense some tears and frowns.
Yes-the days pass into years
the laughter into tears . . .
As he shuts his locker door,
He doesn't need it anymore.
